

# ARIZONA CANINE EXPERIENCE

Geared toward new purebred dog owners, the Arizona Canine Experience will introduce you and your dog to the many activities the American Kennel Club has to offer. Hosted by local AKC affiliate clubs, the event offers handling instruction, grooming demos, Junior Showmanship clinics, obedience, rally and agility demos, and more, followed by an afternoon Match to try it all out. Local all-breed and specialty dog club members offer a mentoring experience to welcome newcomers and their dogs to the sport of purebred dogs.
